|                            |                    |
|----------------------------|--------------------|
| Product Code               | SGC-6535-UG        |
| Product Family             | Geometric          |
| Film Type                  | Polyester          |
| Adhesive Type              | Pressure-Sensitive |
| Usage                      | Interior           |
| Available Height           | 58"                |
| Full Roll Length           | 100ft              |
| Thickness                  | 2 mil              |
| Visible Light Transmission | 94%                |
| UV Rejection               | 29%                |
| IR Rejection               | 8%                 |

## Product Construction

### Face Film

2 mil Polyester

### Adhesive

Clear, Pressure-Sensitive

### Release Liner

Silicone Coated

## Product Details

*SimGlas*® SGC-6535-UG Vintage Chicken Wire is a polyester glass film resembling chicken wire combined with the added charm of old, vintage glass. The subtle distortion provides an elegant appearance while retaining a high level of light transmission. This film is recommended for application to interior glass and is ideal for semi-private distraction in decorative or architectural applications.

### Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

### LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

## Installation and Warranty

### Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same tools and techniques used for installing window tinting films.

### Warranty

This **SOLYX**® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.

## Product Distribution and Contact Information
