

SOLYX® Glass Finishes SX-1540 Cracked Ice

Manufacturer Detail

SOLYX® SX-1540 Cracked Ice film is recommended for application to interior and exterior glass (inside surface). Made of durable PVC with a decorative embossed surface. Total nominal thickness is between 3 and 4 mil. Supplied with a silicone liner, which protects the clear, pressure-sensitive adhesive, and applied using the same tools and techniques for window films.

Product Description

SOLYX® SX-1540 Cracked Ice is a translucent, embossed film with a white, velvet finish. An effective privacy film that obscures direct visibility and allows excellent light transmission.
