Product Construction

Face Film

3 mil PET Polyester

Adhesive

Silicone-Cling

Release Liner

Clear Synthetic

Product Details

SOLYX® SX-1900 Construction Matte Dusted is a durable polyester film with our unique silicone-cling backing which allows for excellent bond to the glass without the use of permanent adhesive. This privacy film is designed for temporary installation during construction or events.

PLEASE NOTE: SX-1900 has intermittent color variations through the rolls which are inherent to this product.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same tools and techniques used for installing window tinting films.

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.
