Product Details

SOLYX® SX-2080 Clear Dry Erase is a transparent polyester film coated with a premium dry erase writing surface. Supplied with an acrylic, pressure-sensitive adhesive and a clear polyester release liner, this film is recommended for application to interior glass surfaces. It is ideal for semi privacy, decorative, or architectural applications where a dry erase surface is desirable.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same tools and techniques used for installing window tinting films.

Cleaning

Immediately after installation the film should be cleaned with Expo Dry Erase cleaning solution or SimGlas Cleaner. Regular cleaning is recommended with these solutions and a soft microfiber cloth to prevent marker ghosting.

Markers

Expo Dry Erase Markers are recommended – Do not use sharpies!

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.
