Infra-Red Transmission	Average - 48%
Total Solar Energy Rejected	38%

#### Product Construction

##### Face Film

2 mil PET

##### Adhesive

Clear, Pressure-Sensitive

##### Release Liner

Silicone Coated

#### Product Details

SOLYX® SX-5015 Organic Strie is a beautifully designed, durable polyester film of frosted white lines with tufted edges on a transparent background. Supplied with a silicone-coated liner which protects the clear, pressure-sensitive adhesive, it is 100% UV stabilized and will not alter in color nor fade. This film is ideal for semi-private, decorative, or architectural applications.

#### Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

#### LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

#### Installation and Warranty

##### Installation

Installation should be in accordance with the manufacturer's installation instructions. The film is applied using the same tools and techniques used for installing window tinting films.

##### Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.

#### Product Distribution and Contact Information

##### Distribution
