Face Film

2 mil PET

Adhesive

Clear, Pressure-Sensitive

Release Liner

Silicone Coated

Product Details

SOLYX® SX-5020IN Clear Spring Buds is a beautifully designed polyester film with an elegant pattern of clear, budding branches on a frosted, white, semi-translucent background. Supplied with a silicone-coated liner which protects the clear, pressure-sensitive adhesive, it is 100% UV stabilized and will not alter in color nor fade. This durable film is ideal for privacy, decorative, or architectural applications.

This film is the inverted pattern of SX-5020 White Spring Buds.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same tools and techniques used for window tinting films.

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.
