Total Solar Energy Rejected	38%

Product Construction

Face Film

3 mil polycarbonate

Adhesive

Clear, Pressure-Sensitive

Release Liner

Silicone Coated

Product Details

SOLYX® SX-5035-UG Subsonic is a beautifully designed film with a frosted background and thin white and pale white lines that widen and narrow down the length of the film. It is supplied with a silicone coated liner which protects the clear, pressure-sensitive adhesive, is 100% UV stabilized, and will not alter in color nor fade. This attractive, durable film is ideal for privacy, decorative, or architectural applications.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same tools and techniques used for installing window tinting films.

Warranty

This **SOLYX®** product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.
