

SOLYX
UltraGreen® Glass Finishes
SX-5038-UG Jute

Product Description

Introducing **UltraGreen**, an innovative collection of decorative privacy window films utilizing advanced, VOC-free coating technology and eco-friendly PVC-free materials to create an environmentally responsible product with exceptional performance.

Specifications

Product Code	SX-5038-UG
Product Family	Organic
Film Type	Polyester
Adhesive Type	Pressure-Sensitive
Usage	Interior
Available Width(s)	59"
Full Roll Length	95 linear feet
Thickness	2.5 mil
Visible Light Transmission	33%
UV Rejection	64%
Total Solar Energy Rejection	38%

Product Construction

Face Film

Polyester

Adhesive

Clear, Pressure-Sensitive

Release Liner

Silicone Coated

Product Details

SOLYX® SX-5038-UG Jute features fine white matte vertical lines that recreate the natural texture of woven jute, creating a soft, subtle appearance on glass. Manufactured on durable polyester film as part of the UltraGreen® Collection, it provides a semi-private finish while allowing natural light to pass through. This 100% UV stabilized, durable polyester film will not alter in color nor fade and is supplied with a silicone coated liner which protects the clear, pressure-sensitive adhesive. It is recommended for application to interior and exterior glass (inside surface) and is ideal for semi-private, decorative, or architectural applications.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. It is applied using the same tools and techniques used for window tinting films.

Warranty

This **SOLYX®** product will be free from defects in material and manufacture for a period of five (5) years from the date of interior installation. See warranty information for specific details.
