

## SOLYX® Glass Finishes

### SX-6030 Antique One Way Vision Silver/Gray

**SOLYX® SX-S6030 Antique One Way Silver Gray** is a Reflective / Non reflective polyester film with an antique finish on the gray side. Designed to provide one way visibility. Designed for application to interior glass, single or double pane and exterior facing glass. Made of durable Polyester with a silver reflective surface on the adhesive side and a Gray non reflective surface on the non-adhesive side, perfect for privacy, decorative, solar control or architectural applications. The total nominal thickness is 4 mil. Manufactured with a silicone liner, which protects the clear, pressure-sensitive adhesive, and applied using the same tools and techniques for window films.
