Product Details

SOLYX® SX-6030 Antique One Way Vision is a durable polyester film with an antique looking silver reflective surface on the adhesive side, and a dark grey/blue non-reflective surface on the face side. It is intended to provide one way visibility during the DAYTIME. At night, coverings are still needed. Manufactured with a silicone coated liner which protects the clear, pressure-sensitive adhesive, it is designed for application to interior glass, single- or double-pane, and exterior facing glass, and is ideal for privacy, decorative, solar control, or architectural applications.
