

## SOLYX® Glass Finishes

### SX-SX108 Atlantis Mosaic

#### Product Details

**SOLYX® SX-SC108 Atlantis Mosaic** is a beautiful translucent, embossed film with a textured facet design. Within the design are very faint colored hues of mauve, orange, and green and curved medium brown lines which, together with the textured facets, create a distorted view while still allowing good light transmission. This non-adhesive static cling film is made of durable polypropylene and has a clear, removable release liner. It is fully removable and reusable and is recommended for application to interior and exterior glass (inside surface) as well as plastics and polycarbonate sheets. This is an excellent privacy film and is ideal for decorative or architectural applications.

#### Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

#### LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

#### Installation and Warranty

##### Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same tools and techniques used for installing window tinting films.

##### Warranty

This **SOLYX®** product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.

#### Product Distribution and Contact Information
