

SOLYX® SX-SC318 Blackout Sand (static cling)

Product Detail

SOLYX® SX-SC318 Blackout Sand Static cling film is a beautiful black sand textured film. Good for light blocking and obscuring direct visibility.

This film is not recommended for installation onto double insulated glass units that are exposed to direct sunlight. Glass Breakage may occur due to excessive heat absorption

Fire Rating

The product was tested according to ASTM E84 and is classified as Class A, as defined in NFPA 101, Life Safety Code®.
