Face Film

3-4 mil PVC

Adhesive

Non-Adhesive Static Cling

Release Liner

Transparent Synthetic

Product Details

SOLYX® SX-SC546 Frosted Vine Static Cling is a translucent, textured, embossed film with a semi-clear decorative vine pattern. The width of the vine is 1/4". This fully removable and reusable non-adhesive static cling film is made of durable polypropylene and is recommended for application to interior glass (inside surface). It is ideal for privacy, decorative, or architectural applications. This film is also available in an adhesive version, SX-1546 Frosted Vine.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same tools and techniques used for installing window tinting films.

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.
