Product Details

SOLYX® SX-SC551 Domino is a durable non-adhesive static cling film with a decorative pattern of textured or clear circles, squares, and rectangles, each with a diameter or width of approximately 1". This polypropylene film has a clear, removable release liner and has a total nominal thickness of between 7 and 9 mils. It is recommended for application to interior glass and exterior glass (inside surface) or plastics and polycarbonate sheets. Fully removable and reusable, this is an excellent semi-privacy film providing distorted visibility while allowing excellent light transmission.
