UV Transmission	2%
Absorption	28%
Total Solar Energy Rejected	56%

Product Construction

Face Film

8 mil Polypropylene

Adhesive

Non-Adhesive Static Cling

Release Liner

Transparent Synthetic

Product Details

SOLYX® SX-SC668 Peacock Feather is a beautifully colored non-adhesive static cling film with a textured finish that sparkles in the sunshine. The colorful peacock feather eyes range in size from approximately 3"-5". Made of durable polypropylene, it is fully removable and reusable and has a clear release liner. This film is recommended for application to interior and exterior glass (inside surface) or plastics and polycarbonate sheets. It reduces glare, adds color and privacy, and is ideal for decorative or architectural applications.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. It is applied using the same methods used for installing window tinting films.

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.
