UV Transmission	16%
Absorption	45%
Total Solar Energy Rejected	56%

Product Construction

Face Film

8 mil Polypropylene

Adhesive

Non-Adhesive Static Cling

Release Liner

Transparent Synthetic

Product Details

SOLYX® SX-SC684 Pyramid – Static Cling is a fully removable and reusable non-adhesive static cling film with an embossed, textured triangle design which scatters the light. It is manufactured on polypropylene vinyl with a clear, removable release liner and has a total nominal thickness of between 7 and 9 mils. This film is recommended for application to interior and exterior glass (inside surface) as well as plastic and polycarbonate sheets. It is an excellent privacy film and is ideal for decorative or architectural applications.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. It is applied using the same methods used for installing window tinting films.

Warranty

This **SOLYX®** product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.
