

SOLYX
UltraGreen® Glass Finishes
SXEG-3464-UG Glencoe Stained Glass

Product Description

SOLYX® SXEG-3464-UG Glencoe Stained Glass

Introducing **UltraGreen**, an innovative collection of decorative privacy window films utilizing advanced, VOC-free coating technology and eco-friendly PVC-free materials to create an environmentally responsible product with exceptional performance.

Specifications

Product Code	SXEG-3464-UG
Product Family	Frosted
Film Type	Polyester
Adhesive Type	Pressure-Sensitive
Usage	Interior
Available Widths	24", 35", 59"
Full Roll Length	100 linear ft
Thickness	3 mil
Visible Light Transmission	
UV Transmission	
Infra-Red Transmission	

Product Construction

Face Film

3 mil Polyester, SR Coating

Adhesive

Removable, Pressure-Sensitive

Release Liner

Silicone Coated, Plottable

Product Details

SOLYX® SXEG-3464-UG Glencoe Stained Glass Add historic charm and vintage appeal with Glencoe, a sophisticated geometric design where textured and frosted glass-like finishes recreate an authentic appearance of handcrafted leaded stained glass. Inspired by the Arts & Crafts movement and early 20th-century Prairie Style architecture, this decorative window film captures the beauty, craftsmanship, and design intent of original Mission-style glasswork. The intricate interplay of texture and transparency instantly transforms ordinary glass into a conversation-worthy architectural feature — evoking the warmth and character of a timeless Craftsman-era interior while enhancing privacy and preserving natural light.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same tools and techniques used for installing window tinting films. This film does take on fingerprints but is fully washable and cleans easily with SimGlas Window Film Cleaner and Polish. Installers should work with clean hands when handling this film.

Warranty

This **SOLYX®** product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.
