Product Details

SOLYX® SXEG-4861 Bottled Stained Glass Window Film a beautiful **stained glass window film** with adhesive backing. Now you can achieve that stained glass window look at the fraction of the price of traditional stained glass without compromising quality!

SOLYX® Stained Glass Window Films are perfect for **Semi-Privacy, Decorative or Architectural** applications.

Films are recommended for application to interior and exterior glass (inside surface). Made of durable PET with a decorative surface and protective over laminates. Total nominal thickness is 4 mil. Supplied with a silicone liner, which protects the clear, pressure-sensitive adhesive, and applied using the same tools and techniques for window films.

Fire Rating

The product was tested according to ASTM E84 and is classified as Class A, as defined in NFPA 101, Life Safety Code®.

Installation and Warranty

Installation

Installation should be in accordance with manufacturer's installation instructions.

Warranty

This **SOLYX®** product will be free from defects in material and manufacture for a period of five (5) years from the date of installation.

See Warranty information for specific details.
