Product Details

Manufacturer Detail

SOLYX® SXL-1022 Web Effect film is recommended for application to interior and exterior facing glass. Manufactured from durable PVC with a decorative embossed surface, perfect for privacy, decorative or architectural applications. Manufactured with a silicone liner, which protects the clear, pressure-sensitive adhesive, and applied using the same tools and techniques for window films.

Installation and Warranty

Installation

Installation should be in accordance with manufacturer's installation instructions.

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details
