Product Details

SOLYX® SXO-040 Violet is a colored adhesive vinyl film with a blurry, transparent view. Created for high-quality lighted displays, stained-glass designs, window graphics, and backlit surfaces, it is one of 30 soft-sheen colors that can be superimposed to create an infinite color palette. This film is manufactured with a plottable liner which protects the clear, pressure-sensitive adhesive, and is ideal for decorative or architectural applications.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with manufacturer's installation instructions. This film is applied using the same tools and techniques used for installing window tinting films.

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years interior from the date of installation and (1) year for exterior applications. Life expectancy is 3-5 years for exterior applications. See warranty information for specific details. The warranty does not apply to film problems caused by defective application.
