Product Details

SOLYX® SXRR Stained Glass films are recommended for application to interior and exterior glass (inside surface). Made of durable PET with a decorative surface and protective over laminates. Total nominal thickness is 4 mil. Supplied with a silicone liner, which protects the clear, pressure-sensitive adhesive, and applied using the same tools and techniques for window films.

Fire Rating

The product was tested according to ASTM E84 and is classified as Class A, as defined in NFPA 101, Life Safety Code®.
