IR Rejection	99%

Product Construction

Face Film

2 mil Cast Vinyl

Adhesive

Clear, Solvent Acrylic, Pressure-Sensitive

Release Liner

Poly, plottable release liner

Product Details

SOLYX® SXV-9-1003 Black Gloss is a cast vinyl film with a high-gloss finish and is supplied with a silicone-coated liner which protects the clear, pressure-sensitive adhesive. This film has been engineered to withstand the elements and comes with an 8-year exterior life expectancy. Made for light blocking, the SXV-9-1003 is an excellent solution when needing to create a black gloss appearance to your exterior glass facade.

NOTE: When considering exterior facing application, this film should never be installed on glass that is non-tempered. User discretion is advised.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same tools and techniques used for installing window tinting films.

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of ten (5) years from the date of installation for interior application. Exterior applications have a three (3) year warranty. See warranty information for specific details.
